I am honored to be apart of the Woodhaven Family. My main goal as a teacher is to make the game more enjoyable, fun, and to help lower your scores along the way! I pride myself on creating an open learning environment with my students where questions are encouraged on and off the course. Through my experiences on a National playing level I know I can help each and every one of you to improve physically and mentally in the game of golf. Please call the golf shop to schedule your lesson today!
