Woodhaven prides itself on being a family friendly Country Club. I am honored to be a part of this family for 20 years. I pride myself on finding what a player does well in their individual golf swing and building their swing around that. I always strive to bring a unique approach to all my lessons. In 2019 I had the amazing opportunity to become one of the few certified master fitters for Callaway golf in the State of Kentucky. Just like the club I like to bring a very fun and relaxed environment to all my lessons for golfers of all skill levels.
